Beckford's Tower

Songs and rhymes to sing at home

(to tune of 'Twinkle, twinkle little star')

Tower, tower standing tall
Holding treasures big and small
Up and up the steps we go
We could stomp or just tiptoe
Tower, tower standing tall
Looking over Bath and all

(to tune of 'Heads, Shoulders Knees and Toes')

Stairs, windows, tall and high, tall and high
Stairs, windows, tall and high, tall and high
Paintings, books and treasures lived here
Stairs, windows, tall and high, tall and high

Can you make your own actions to go with the rhymes?

(to the tune of 'London Bridge is Falling Down')

We can build things, see us play
See us play, see us play
We can build things see us play
All together

Build it up with blocks and toys
Blocks and toys, blocks and toys
Build it up with blocks and toys
All together

Build it up and make it strong
Make it strong, make it strong
Build it up and make is strong
All together

Build it up and watch it grow
Watch it grow, watch it grow
Build it up and watch it grow
All together

See our house, we love to build
Love to build, love to build
See our house, we love to build
All together
