## Matchbox treasure drawers

### You will need:

- 3 matchboxes
- Coloured paper
- Glue stick
- Scissors
- Crayons and stickers for decorating
- 3 jewel stickers

William kept his treasures in drawers like these

What do you like to collect?

### Instructions

1. Glue the 3 Matchboxes together so they stack up and the drawers still open
2. Cut out a piece of coloured paper to wrap around the boxes
3. Glue the paper onto the boxes
4. You could also cut out paper to stick on to the front of the drawers like we've done
5. Decorate your drawers with crayons and stickers
6. Decide what you will put in you box, then fill the drawers with your favourite things (we've put pennies, buttons and shells in ours!)
